what is a “basic layout” for addressing?

the mailing information is centered horizontally on your envelope and the zip code is lettered on the last line

the beautiful basic layout

what is a “specialty layout” for addressing?

the mailing information is lettered in a customized way that adds a bit of the unusual to what people expect to see on an envelope...but with a keen eye on postal service delivery guidelines

oh so many possibilities!
here are just two

how long does it take to hand-letter your custom calligraphy blend?

- up to 65 mailing entries **one week** lettering
- 66 to 120 mailing entries **two weeks** lettering
- 121 to 200 mailing entries **three weeks** lettering
- 201 to 300+ mailing entries **four weeks** lettering
excluding weekends and standard holidays

all timelines are settled onto the calendar by confirming availability and making your deposit in advance so we can hold your spot open for you

all timelines begin when The Artist’s Hand accepts your booking deposit, your completed mailing list, and your blank envelopes

rush timelines are sometimes available upon inquiry and at an additional fee
